

82nd ACS Colloid and Surface Science Symposium

June 15-18, 2008

Raleigh, North Carolina

www.colloids2008.org

Dear Colleague,

We would like to invite you or a representative of your company to participate in the industrial exhibits at the 82nd American Chemical Society Colloid and Surface Science Symposium to be held on the campus of North Carolina State University, in Raleigh, North Carolina during June 15-18, 2008, at the McKimmon Conference and Training Center (www.ncsu.edu/mckimmon).

The ACS Colloid and Surface Science Symposium is a premier yearly event bringing together a community of researchers from a wide range of related disciplines, from colloids and surfactants to nanoscience and biomolecules. We expect over 400 abstract submissions and an attendance of more than 600 active scientists from academia and industry. A new event this year will be the Bio/Pharmaceuticals Forum that will promote dialogue and exchange of ideas between researchers working in this area.

Exhibits will be displayed in the lobby of the McKimmon Center, close to all the presentation rooms and the poster session. Display spaces will be approximately 6 ft. wide x 4.5 ft. deep with a 6-foot table provided. Exhibit information is included in the following pages. The fee for exhibitors is \$1800.00, which includes one symposium registration and one ticket to the banquet. The fee for a second exhibitor who doesn't attend the technical sessions is \$300.00, which provides symposium materials, admission to the banquet, meals and reception, and a registration badge.

Thank you for your consideration, and we hope to hear from you soon!

Orlin Velev
Organizer

Hubert Winston
Exhibit Coordinator
